Dear Ms. Snowbank,

Please find attached Badger Minerals' Notice of Intent for Dewatering Operations for our proposed drilling program in Schoepke Township in Oneida County. Along with the completed NOI form you will find attached the following items:

1. A copy of our Notice of Intent to Drill (NOID) Document submitted to the DNR which includes site maps and additional details and description of the planned operation
  - a. A copy of the DNR's comments and responses to the above mentioned NOID
2. A site map showing the proximity of our proposed drill sites to water features
3. BMP Plan – for site specific coverage
  - a. A list of DNR approved drilling fluids
4. An executed DSA authorizing Thomas Quigley of Badger Minerals to act as the Authorized Representative for this permit on Heartwood Forestland (The Forestland Group) owned lands. **Please note that I have a signed copy of the DSA but am still waiting to receive contact information from The Forestland Group to complete the form. I will send the completed DSA along once received.**

Please don't hesitate to contact me (cell or email is best) with any questions or if you need additional information.

Sincerely,

**Eric Quigley**
